Young People's Division • Young Musicians in Concert and Special Performances

Welcome back to Lucy Moses School! Attached is the anticipated schedule of concert dates for the Young People's Division.

## Performing in a Young Musicians in Concert (YMC)

YMC recitals are scheduled for Sunday afternoons, November to May. Private-lesson students may perform when ready, as determined by their teacher. Teachers will be in touch with parents to schedule preview and performance dates, and to submit a **Concert and Preview Request Form** to the LMS office for processing. Recitals are programmed on a first come, first served basis and limited to approximately 45 minutes. **All participating students are required to stay for the entire duration of the concert.** Concert and preview times are subject to change. Parents should consult directly with the teacher about updates.

## Concert Previews

All students planning to perform in a YMC are required to play an informal **preview** the week preceding the scheduled concert date. Previews are open to **students and teachers only** and provide students with an opportunity to play through their recital pieces at/with the recital piano in the recital space – usually **Ann Goodman Recital Hall (AGRH)**. Please note that **YMC previews are held in AGRH on Sundays, 9am; Mondays, 4:45pm, by appointment only.** Teachers will be in touch with parents to schedule the preview date. **A student may be asked to play more than one preview until ready to perform formally.**

## Requesting an Accompanist (Young Musicians in Concert only)

Lucy Moses School will provide a professional accompanist for one lesson rehearsal, the preview, and the concert. **Accompanist requests must be included on the Concert and Preview Request Form no later than 10 days prior to the first rehearsal date.** For students playing advanced repertoire, additional rehearsals may be scheduled for a fee. To hire an accompanist for additional rehearsals beyond those provided, please call our offices at 212 501 3360 for more information.
